Foreword

WWF-India Coimbatore project office, informed about Mr. Singh's sojourn at Coimbatore to its members and those interested in environmental study. As a member of WWF India I suggested that a directory with the names and addresses of environmentalists and resource persons living in Tamilnadu will be of much help to people interested in wildlife and environment. I explained that it will help everyone to contact regularly to get information about new developments if any in their areas where they live.

Mr. Singh was impressed with my suggestion and asked WWF-Tamilnadu branch to make arrangements for preparing such a directory. Taking this as a pointer I hope WWF will update this directory at-least once in five years adding new names particularly youngsters. I congratulate every one who prepared the directory.

Dr.K.Ratnam

19-B, Trichy Road, Sullur,
Coimbatore District.

Dr. R. ANNAMALAI, I.F.S.,
Director

DEPARTMENT OF ENVIRONMENT,
Ground Floor, Panagal Building,
No.1, Jeenias Road, Saidapet,
Chennai - 600 015.

Preface

The Directory of the Environmental Resource Persons in Tamil Nadu is a very useful and informative publication prepared jointly by the ENVIS Centre of the Department of the Environment and WWF India, TNSO. This publication will be of much use to identify the environmental resource persons available in Tamil Nadu. I hope this publication will be helpful to the policy makers, NGC coordinators, School and College teachers, NGOs and Researchers to collaborate with the resource persons and aid knowledge transfer. I congratulate the ENVIS and WWF team for preparing this useful publication.

Dr.R.Annamalai, I.F.S.,

Director,
Department of Environment.

MESSAGE

Dr. S. VINCENT

Member Secretary

23.09.2008

It is my pleasure as the Member Secretary of the Tamil Nadu State Council for Science and Technology to felicitate WWF-India for bringing out a directory of "Environmental Resource Persons in Tamil Nadu."

I am very happy that the directory gives the brief resume of the resource persons by mentioning their major activities which will be quite helpful to the students, researchers, administrators and policy makers in the field of Environment.

This directory is quiet compact and handy.

I am confident, this Directory, will impress all the environmentalists in Tamil Nadu as well as other states.

On behalf of the Tamil Nadu State Council for Science and Technology, being its Member Secretary, I wish to appreciate WWF-India for its great effort.

I wish the WWF-India a great success.

23/9/08

Dr. S. Vincent
Member Secretary

WWF *for a living planet*[®]

WWF - India
Tamil Nadu State Office
No. 2.Subramanya Avenue
Valmiki Nagar, Thiruvanniyur,
Chennai - 600 041
Tamil Nadu

J. Mangalaraj Johnson I.F.S., (Retd.,)
Chairman.

Date: 12.09.08

The Directory of the Environmental Resource Persons in Tamil Nadu is a seed idea of Dr. Ratnam and was instantly approved by Shri. Ravi Singh, SG & CEO, WWF-India, New Delhi. This endeavour is financially supported by the Department of Science and Technology and the Directorate of Environment - Government of Tamil Nadu. It is possible that we have missed to include some important individuals inspite of our careful information gathering. This will be updated in the next edition.

Through this directory community in general, students in particular could reach out the environmentally knowledgeable experts.

I congratulate the Tamil Nadu State Office team for successfully bringing out this publication

J. Mangalaraj Johnson
Chairman.

for a living planet®

WWF's mission is to stop the degradation of the planet's natural environment and to build a future in which humans live in harmony with nature, by:

- conserving the world's biological diversity
- ensuring that the use of renewable natural resources is sustainable
- promoting the reduction of pollution and wasteful consumption
